

2010 Woodworking Industry Conference

April 21-24, 2010 • Monterey, California

A Platform for Business Discussions

The Woodworking Industry Conference offers the industry's only Contact Table Program, the most cost-efficient opportunity for importers, manufacturers, end-users, distributors and suppliers to do business. With the opportunity to hold more than 20 meetings in one place, networking has never been easier or more affordable.

This is a unique occasion for manufacturers, suppliers, distributors, importers, end-users and educators to convene one-on-one for vital business discussions. The Contact Table structure is more focused than the hectic atmosphere of trade shows and more cost-effective than traveling coast to coast. Participating in the Contact Table Program will substantially reduce your business/sales meeting costs and maximize the return on your WIC investment.

WIC Contact Tables Work for You

The list of people registered for WIC, as well as those companies hosting Contact Tables, will be posted on each association's website: www.awfs.org, www.wmia.org, www.wmma.org, www.woodcomponents.org. Find out which wood-working companies are participating. Whether you are planning to host a table or just make the rounds, use this information to contact those industry colleagues you wish to meet with and schedule your appointments in advance.

Each session is scheduled for 20 minutes. You can book double or triple time slots in advance if both parties agree.

If you would like further information on how this program can benefit your company, contact any of the sponsoring associations.

Interested in Hosting a Table? Friday, April 23, 2010 • 10 a.m. - 5 p.m.

Sign up prior to March 18, 2010 and the fee is \$75 to host a table. After March 18, the fee is \$150.

Use this form to record those industry colleagues with whom you have scheduled appointments in advance of WIC 2010.
